

*Part 5 –To be published in the September 2010 Newsletter*

*Reminder to take Photos.*

*Check on line for the 12 Classes and the Rules and Regulations.*

*A Class for Everyone*

*I believe with this submission of 12 Classes, there is an opportunity that every K-MHS member has the ability to enter a print, slide and or digital image in the competition.*

*Conclusion of the Tips and Hints Presentations*

*A Good Photograph: Print or Digital –*

*Requires several skills working together at the same time.*

- 1. Technology –The camera .*
- 2. Knowledge – Know how the camera works.*
- 3. Focus – The main ‘Subject’ of the photo.*
- 4. Composition – The ‘Placement’ of features within the photograph.*
- 5. Lighting – An important element in every photograph.*
- 6. The Eye – The ability to ‘re create’ the image that you desire.*
- 7. Luck*

*By Shirley Monkhouse,*

*For the Kanata-March Horticulture Society,*

*In conjunction with the 2010 K-MHS Photo Competition.*
