

2025 KMHS Photography Competition

WINNING ENTRIES AND BEST IN SHOW

DECEMBER 2, 2025

2025 Classes

Class 1, Early Morning View

- garden or landscape in early morning or at sunrise (any time of year)

Class 2, Leaves Make the Plant

- a plant where the showy part is the leaves rather than the flowers; the leaves have a distinct aspect

Class 3, Containers in Full Bloom

- favourite annuals that do well in a container

Class 4, Puzzleworthy

- photo would make for a challenging horticultural jigsaw puzzle

Class 5, Beautiful Blooms in the Molly Wilson Memorial Garden

- plants or flowers in the Molly Wilson Memorial Garden

Class 6, Pastel Palette

- single plant or multiple plants with flower petals in a pastel color
- 

Statistics

- Total number of photos submitted = 73
- Total number of individuals submitting = 8
- Main criteria for judging:
 - horticultural content
 - photographic quality (composition and technical elements)
 - general appeal and impact
- A selection of first, second and third place photos published in calendar
- Thank you to all who submitted and to the judge, Ross Laing
